Features:

This executive two-story home boasts 2,145 square feet of thoughtfully designed living space, backing onto the picturesque Royal Oaks pond. The home is equipped with a high-end Bosch induction cooktop, a walk-through pantry, and a spacious granite kitchen island, complemented by stunning to-ceiling cabinets with accent lighting and a coffee nook. The main level features elegant wood flooring, a tiled entrance, and luxurious granite kitchen countertops and bathroom vanities. Additional highlights include a convenient main-floor powder room, a dining room, and a living room adorned with large windows that provide captivating views of the pond. A gas fireplace serves as a striking focal point, showcasing a stone feature and mantel. This beautifully designed walkout basement adds to the home's appeal, while the sumptuous ensuite features a double vanity and a classic soaker tub. Luxury window coverings enhance the elegance throughout the home. The primary bedroom offers breathtaking views of the pond, accompanied by two additional well-sized bedrooms and a tastefully appointed main bathroom on the upper level. The second floor is completed by a conveniently located laundry room, all presented in a harmonious neutral color palette. Key features include air conditioning and a heated three-car garage, The fenced backyard is beautifully landscaped, and a deck off the dining room, complete with a glass privacy wall, offers a serene outdoor space.
