Nestled on over 4 acres of incredibly manicured land, this exceptional property offers a rare blend of timeless elegance, modern upgrades, and natural serenity. Boasting stunning curb appeal, this McKinley Masters home is a masterpiece through and through. Step through the grand front entrance into a welcoming interior that combines warmth with sophistication. Adjacent to the entrance, a spacious formal dining room provides the perfect setting for family dinners or entertaining. From the dining room we reach the gourmet kitchen, a chef's dream, showcasing granite countertops, a large kitchen island for prepping and gathering, a gas cooktop, and a paneled built-in fridge that blends beautifully with the cabinetry. The kitchen remains open to a cozy eating nook featuring a gas fireplace with a full stone surround and provides direct access to the expansive back deck—a true outdoor haven for relaxing or hosting guests. In the living room, you'll find high ceilings, a wood-burning fireplace, and a large picture window that invites the outdoors in, offering a peaceful view of the mature trees and lush lawn beyond. Continuing on the main level, the primary suite is a luxurious retreat, complete with a private den or sitting area that opens to a balcony overlooking the backyard. The 5-piece ensuite offers a spa-like escape, with a dual vanity, standalone shower, soaking tub, and a generous walk-in closet. The upper level of this home showcases an expansive retreat with the ability to customize this space to your own needs! With the potential to create a dedicated workout room, an office, or an additional family room, the possibilities are endless! Descending to the lower level, the fully finished walkout basement is designed for entertaining and unwinding. A fully outfitted bar with eating area, wine cellar, and built-ins make it easy to host gatherings of any size. The expansive

family room features a double-sided fireplace with stone surround and wood mantle, creating the perfect ambiance for movie nights or quiet evenings. There's also ample storage and direct access to the lower-level patio, which opens into the beautifully treed yard complete with a fire pit area and lawn space. Four additional spacious bedrooms with two full bathrooms complete this exceptional lower level. Recent updates include re-stained front doors, brand new window trim on most windows, new eavestroughs and downspouts, a new window in the great room, brand new boiler and hot water tank. Additional features include an oversized quad car garage, a reverse osmosis system, water softener, and main floor laundry with sink and built-in cabinetry for optimal organization. Combining updated mechanical systems, thoughtfully curated design, and a private, tree-filled lot, this home offers the perfect balance of comfort, character, and quiet luxury—all nestled in a naturally stunning setting!
