Upstairs you will find a renovated space that includes a new kitchen, hardwood floors, lots of windows (many of them updated) shiplap/wood ceiling, fireplace feature wall and many more details you would appreciate! Down a short hallway you will find a bathroom bedroom and a magazine worthy master bedroom/closet/bathroom setup. The basement is fully finished with a living area, bedroom, bathroom, sauna room and an entrance into the garage. The garage is finished and heated. One really nice feature is the solarium all season room. It offers a great functional space to hang out, watch the fire, play games, an extra entrance and much more. The yard is private, backs onto green space, has a firepit, shed, woodshed and really needs to be seen to be appreciated. Thank you for reading. Contact your favorite agent to view.
