Welcome to this charming 5-bedroom, 2-bathroom gem in the heart of Sexsmith! This sweet and stylish home is bursting with character, featuring bright windows, large mature trees, and a newly built fence that adds privacy and curb appeal. New concrete foundation in 2000, giving the home a solid start from the ground up, while thoughtful updates throughout add comfort and style. Enjoy cozy in-floor heating in the basement, and while it does have PEX plumbing, it's been well-maintained and upgraded where it counts. Tinkerers and hobbyists will fall in love with the coolest little workshop out back – perfect for projects or extra storage. A rare find that blends small-town charm with functional family living!
