Well-built and solid 5-bedroom, 3-bathroom home with double attached garage! Rare opportunity to own an ICF-constructed home featuring in-floor heat on both levels. This home has been meticulously maintained. The main floor offers over 1,300 sq. ft. of functional living space, including convenient main floor laundry, a bright open-concept kitchen and dining area with abundant cabinetry, a central island with convection oven, and a spacious living room. The primary bedroom features a generous 3-piece ensuite and walk-in closet. Two additional bedrooms and a full 4-piece bathroom complete the main level. The fully developed basement includes two more bedrooms, a 3-piece bathroom, utility room, cold storage, and a dedicated indoor workshop—ideal for hobbies or extra storage. Enjoy outdoor living with a morning deck on the east side (perfect for coffee at sunrise) and an evening deck on the west side for BBQs and relaxing sunsets. The double attached garage features two overhead doors for added convenience. Contact your REALTOR&reg; today to schedule your private showing!
